Texas Firefighter Summer Games

2005 Wells Bend Court Hutto, TX 78634 Tel: 512-468-4277

www.texasfirefightergames.com

Hello, and welcome to the Texas Firefighter Summer Games!

Since 1983, firefighters from Texas, Louisiana, Oklahoma, and New Mexico have come together to engage in various athletic events, ranging from soccer to archery and everything in between. Our mission as an organization is "To deliver competitive sporting events for participants, and a family atmosphere while giving back to the community through various charitable organizations." We have continued to grow and now host over 1,200 firefighters and their families each year.

Our Board members are a group of dedicated individuals who work on a voluntary basis to help coordinate and implement the Games. This provides firefighters time away from the station to relax with not only their families but with fellow first responders as well. We as an organization feel this is valuable to provide for the health of each firefighter. We foster fitness and friendship among firefighters and strive to build comradery across the region.

As a 501(c)(3) your donations are tax exempt and help to defray the cost of participation for the Games and support our mission while allowing your company to reach the first responder market.

A variety of sponsorship levels are available on the following page. We thank you for your consideration and look forward to working with you to provide this unique experience for firefighters.

Respectfully,

Eric Harr

President
Texas Firefighter Summer Games
